

On March 24, 2020, Governor Evers issued a "Safer at Home" Emergency Order which requires all non-essential workplaces to close in an attempt to further mitigate the spread and effects of the COVID-19 pandemic. The banking industry is considered an essential business which means **Baraboo State Bank will remain open and available to serve all of your banking needs** throughout this challenging time. We executed our contingency plans to ensure uninterrupted bank operations while continuing to prioritize the health and safety of our employees, customers and communities.

Even though our lobbies are currently closed, we continue to service your deposit and cash needs through our drive ups, night drops, ATMs and by appointment when necessary. We encourage you to manage your accounts using our online, mobile and 24-hour telephone banking services. These services are available at any time and allow you to safely check your balances, view transactions, transfer funds, pay bills, deposit checks and more. Our employees are available by telephone and by appointment to take care of your banking needs that cannot be done in other ways. Please call ahead to your local branch to request an appointment. Click [here](#) for normal branch hours, locations and phone numbers. *Please note that until further notice, our branch located at 920 State Road 136, Baraboo (inside Walmart) is closed for all services including night drop and the drive-up hours of our branch located at 1120 8th St, Baraboo have been extended to 9:00am-5:00pm Monday-Friday.*

During times like this, Identity Theft and other scams can become more common. We recommend you take extra precautions to protect yourself and others. Please click [here](#) for tips from the Federal Trade Commission to prevent being a victim of a scam. Please contact us at 608-356-7703 if you feel you were a target of a scam or if you have any concerns. Baraboo State Bank will not contact you to request personal information.

Baraboo State Bank is FDIC Insured, financially strong and well prepared to serve the needs of our customers during these unprecedented and uncertain times. If you or your business are impacted as a result of the COVID-19 pandemic, please contact your local branch to discuss your situation so we can find a way to assist you. We are continually monitoring the developments of the COVID-19 situation and following local government recommendations as well as the available information on the [CDC website](#). We will continue to provide increased cleaning and disinfecting at each location, especially in high-traffic areas.

If you have questions or concerns, please contact us.
